The above-listed patents and patent references that are designated with an asterisk (*) are discussed in the specification of the present application. The above-listed patents and patent references that are designated with a double asterisk (**) have been cited in a European Search Report issued in connection with applicants' corresponding European Application No. 01307450.5, filed August 31, 2001. A copy of the aforesaid European Search Report is enclosed herewith and provides an indication of the relevance of the patents and patent documents cited therein.

Applicants also take this opportunity to notify the Examiner of the existence of the following two co-pending, commonly assigned U.S. patent applications, which may be considered relevant to the present invention and copies of which are submitted herewith for the Examiner's convenience and consideration:

- (1) U.S. Serial No. 09/943,690
Entitled: Multiple Polymeric Additive Systems:
Compositions, Processes, and Products Thereof
Filed: August 31, 2001
(Atty Docket: A01072)
- (2) U.S. Serial No. 09/944,289
Entitled: Functional Liquid-Solid Additive Systems:
Compositions, Processes, and Products Thereof
Filed: August 31, 2001
(Atty Docket: A01073)

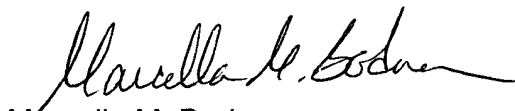

It is noted that the remaining above-listed patents and patent references (i.e., which are not asterisked) are being cited, concurrently herewith, in connection with one or both of the above-listed two co-pending commonly assigned U.S. patent applications.

The filing of this Information Disclosure Statement shall not be construed to mean that a search has been made, or that no other material information as defined in 37 C.F.R. § 1.56(a) exists. The Examiner may find the enclosed documents to be relevant to the invention of the present application.

No fees are believed to be due in connection with the submission of this Information Disclosure Statement, since it is believed that it is being submitted prior to the mailing date of a first Office Action on the merits for the present application. If, however, any such fees, including petition and extension fees, are due in connection with the submission of this Information Disclosure Statement, the Commissioner is hereby authorized to charge such fees to Deposit Account No. 18-1850. In the meantime, please direct all future correspondence relating to the present application to the undersigned attorney.

Respectfully Submitted,

Date: Feb. 14, 2003
